**APPLICANT'S RESPONSE TO NOTICE
TO FILE MISSING PARTS**

Responsive to the Notice To File Missing Parts dated April 24, 2002, Applicant submits herewith a substitute reissue specification provided in double-column format, with each page only on one side of a single sheet of paper, as provided for in 37 C.F.R. §1.173(a)(1). Applicant regrets the error in the original specification, having relied upon the earlier practice of providing a single column per sheet.

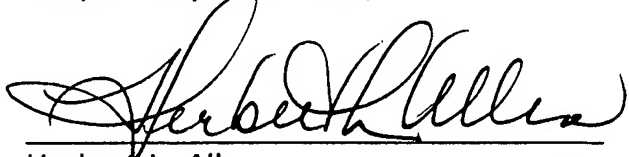

The Notice to File Missing Parts also requires the filing of a Consent of the Assignee under 37 C.F.R. §1.172 and the Assignee's statement under 37 C.F.R. §3.73(b). The PTO is advised that the underlying patent number 5,711,100 and this reissue application are unassigned, and remain completely owned by the inventor, William A. Elmer.

The original reissue application included the signed reissue declaration of the inventor, William A. Elmer. Therefore, Applicant believes that no surcharge is required.

However, if the PTO believes this to be an error, it is respectfully requested that any additional fees or costs be charged to Deposit Account 01-0484.

If the handling of this reissue application can be facilitated through a telephone call between the PTO and the undersigned, it is requested that the call be placed to the undersigned at telephone number 407/841-2330, or via email; the undersigned's email address is hallen@addmg.com.

Respectfully submitted,
